### RSAPOS Updates

Every month we release software upgrades, which are available for download from our website. These upgrades are FREE for all RSAPOS Software Maintenance Customers.

Some of the latest RSAPOS Version 3 enhancements have been summarised below. For further information please visit our website at [www.rsapos.com](http://www.rsapos.com), or contact us on (02) 9736 1677.

#### RSAPOS Training and Demonstrations

Individual or group training sessions are available to all Software Maintenance customers, free of charge, at our office. If you would like our Support staff to run through the latest features with you or your staff, just give us a call on (02) 9736 1677 to organise a time to come into our office. You may be a new user of RSAPOS software, or you may have had the system for years and would just like a refresher course. In any case, we would be happy to show you the latest features, and help you with any queries that you may have.

- RSAPOS Support -

### Reminders

- To ensure you will receive these updates as well as all future enhancements, remember to renew your RSAPOS Software Maintenance Agreement when it is due.
- We are always interested in hearing your feedback, so please don't hesitate to contact us regarding RSAPOS.

download your FREE copy of RSAPOS v3 today\*  
**[www.rsapos.com](http://www.rsapos.com)**

Download the latest RSAPOS version from the RSA Download Page (via the support page on our website). New versions are released monthly, so ensure you visit the download page regularly.

\*Only available to customers under our Software Maintenance Agreement -  
If you have lost your username and password to access our download page, please contact our office.
